

Made of Glass (Acoustic)

Trapt

Uh uh, nuh uh
Nuh uh, nuh uh I don't know anything at all and I'm somebody else
It could take years to find you, it could take years to find myself
And I don't need to hear your answer, I just need you to see
That I think it's time to break down these walls that we throw up Am I still breathing, have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees that
I can't ask these questions that cannot be answered today Nuh uh, nuh uh
Nuh uh, nuh uh
Nuh uh, nuh uh And even if everything goes wrong and we start to fall apart
I will understand where you are, and I will understand this by myself
And I don't need to hear your answer I just need you to feel
Like there are no boundaries at all Am I still breathing? Have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees that
I can't ask these questions that cannot be answered today And I am mine today
Whoa oh oh today
And I don't matter today And how far have we come? Too far to throw away the past
Would you be there waiting for me?
I have to ask what we are, if I ask today it just won't last
So I'll be here waiting for you Will we ever feel this good again?
Will we ever feel this real again? Again
Will you ever be mine again?
Will we ever feel this real again? Not today, today
And I am mine today
Whoa oh oh, today
I don't matter today
