I Don't Need Anyone

Hamilton Leithauser

How we walk along the dock and watch the buildings rest.
And all along, we're livin' in the shadow.
Yeah, you wonder how your favorite life did not pay off.
A life I always loved until I knew you.
(Ooooh, Ooooh)Don't know why I need you, I don't need anyone.
Don't know why I need you, I don't need anyone.
I'm the last man runnin'.When I'm down on my luck, show me a good time.
When I'm hot as a match, give me a punching bag.
How we walk along the dock and watch the shadows fall.
The crying gulls and I cry even more.Don't know why I need you, I don't need anyone.
Don't know why I need you, I don't need anyone.
I'm the last man runnin'.
I'm the last man runnin'.And in the northern light,
Our directions swing together.
Oh, I was wrong - I was right.
Our directions swing together.
(Ahhh, la la la la)
Our directions swing together.
Our directions swing together.
