

Lowlife

Theory of a Deadman

you know ill be the one who gets falling down drunk at my neighbor kids soccer game
I got a 82 fiero with a car seat in the middle broken down on the interstate
I got a beer-stained t-shirt looking like Joe Dirt
Something 'bout me just ain't right
I'm a cash stealing, drug dealing, loser without any feeling getting trailer trash tonight

Chorus:

â€Cause I'm a low life and I'm lovin it
I got the whole damn world in the palm of my hand
And i'm a low life so fuckin deal with it
No you canâ€™t change something that you donâ€™t understand.

I'm thrilled to be a hillbilly, hate to have to deal with me, probably just end in a fight
no sleeves, can't read, doesn't even phase me, make it, sleepin like a baby tonight

Chorus:

â€Cause I'm a low life and I'm lovin it
I got the whole damn world in the palm of my hand
And i'm a low life so fuckin deal with it
No you canâ€™t change something that you donâ€™t understand.

Livin it up, livin it up
being a low life. (x3)

Livin it up, livin it up

solo

gun packin, bitch smackin
mess with me its gonna happen
lovin life livin in sin
passed out, on the floor
sorry, just don't work no more

Give it up for givin up (ahhhh F*ck it!)

[Chorus:]

Cause im a low life and im lovin it
Never gonna change as long as i live
im a low life so F_ckin deal with it
cause deep down we really know everyone is

Cause we're low life's and we're lovin it
we got the whole damn world in the palm of our hands
cause we're low life's so f_ckin deal with it
no you can't change something that you don't understand

livin it up, livin it up
being a low life
