Story Book

Travis Bretzer

When the dark turns to light
and you wake from the night
open mind behind your eyes
loving glow from insidefollow me for awhile
let the sun make you smile
follow me take a look
love can be a story bookWhen the sun fades away
and its time to end your day
close your mind rest your eyes
keep the love deep inside
In a dream you and me
spend our days living free
in a dream take a look
love can be a story book
