

# Blue Lips

[Regina Spektor](#)

He stumbled into faith and thought, God this is all there is  
The pictures in his mind arose and began to breathe  
And all the Gods and all the worlds  
Began colliding on a backdrop of blue  
Blue lips, blue veins  
He took a step but then felt tired, he said I'll rest a little while  
But when he tried to walk again he wasn't a child  
And all the people hurried fast, real fast  
And no one ever smiled  
Blue lips, blue veins  
Blue, the color of our planet from far, far away  
Blue lips, blue veins  
Blue, the color of our planet from far, far away  
He stumbled into faith and thought, God this is all there is  
The pictures in his mind arose and began to breathe  
And no one saw and no one heard, they just followed lead  
The pictures in his mind awoke and began to breed  
  
They started out, beneath the knowledge tree  
And they chopped it down to make white picket fences  
And marching along the railroad tracks  
They smile real wide for the camera lenses  
They made it past the enemy lines  
Just to become enslaved in the assembly lines  
Blue lips, blue veins  
Blue, the color of our planet from far, far away  
Blue lips, blue veins  
Blue, the color of our planet from far, far away  
Blue, the most human color  
Blue, the most human color  
Blue, the most human color  
Blue lips, blue veins  
Blue, the color of our planet from far, far away
