

# Magnet

## D'Sound

Show me, show me, show me  
Show me, show me some skin  
But not the naked truth  
I want your illusion and i'll give you mine, for what it's worth  
Gimme, gimme your arms  
But don't you hold too tight  
I want your illusion and i'll give you mine, all through the night  
I make my way through the crowd  
Look at this place - it is too loud  
i'm on a mission - i'll block it out  
I'm only here because I'm hungry  
Let it be known, and come and find me  
And if you've got the perfect timing  
I'll give you something to believe in Pull me like a magnet  
Pull me like a magnet  
Pull me like a wave to the shore  
I close my eyes and I still know where to go  
Pull me like a magnet  
Pull me like a magnet  
Pull me like the rain to sea  
I close my eyes and I know where to be

2

The lights are low  
Follow the scent  
I'm onto something  
I play pretend  
Just come and find me  
And make it end  
Om only here because I'm hungry  
Open your ears and come and find me  
And if you got the perfect timing  
I give you something to believe in  
Pull me like a magnet  
Pull me like a magnet  
Pull me like a wave to the shore  
I close my eyes and I still know where to go  
Pull me like a magnet  
Pull me like a magnet  
Pull me like the rain to sea

I close my eyes and I know where to be
