

Fly Tonight (feat. Frankmusik)

RuPaul

Here
No one could ever deny
Oh! Here
Gravity takes to the skyDaydreams not enough for us
We can't hide behind this feeling
Losers find a place for love
Up above the cloudsTake me up
Wanna fly tonight
Take me up
Gonna fly tonightTake me uh, uh, uh up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonightYou (yeah you)
You and I see eye to eye
You (yeah you)
Show me that truth is a lieDaydreams not enough for us
We can't hide behind this feeling
Losers find a place for love
Up above the cloudsTake me up
Wanna fly tonight
Take me up
Gonna fly tonightTake me uh, uh uh up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonightNothing, nothing, really matters
We're taking off, let's go get lost
Nothing, nothing, really matters
We're taking off, let's go get lost
Take me higher, and higher
We're taking off, off, off, offTake me up
Gonna fly tonight

Take me up
Gonna fly tonight
Take me up
Wanna fly tonight
Take me up
Gonna fly tonight
..night, night, night..Take me uh, uh uh up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonightWe fly tonight, we fly tonight, we fly tonight
We can fly tonight
We fly tonight, we fly tonight, we fly tonight
We can fly tonight
We fly tonight, we fly tonight, we fly tonight
We fly tonight, we fly tonight, we fly tonight
