

New Choppa (feat. A\$AP Rocky)

Playboi Carti

I roll up an l in the lobby,
My partner got wops and it's probably a glock or a tommy
From h to the e double hockey sticks,
Keep a choppa chop you if you try me bitch
Let's see who next on my hommy list
Carti like rocky you bodied this, that's my prerogative
Shit on em that's on my potty list
Accused of being bougie by a snobby bitch
