

# Ain't Always the Cowboy

[Jon Pardi](#)

    n settin' on goodbye  
    Yeah, it's hard to believe  
It wasn't me tryin' to leave this timeIt ain't always the cowboy  
    That ain't got a lot of hang around  
    Ain't got no settle down in their boots  
    Gone's just what they do  
    That restless, runnin', searchin' for somethin'  
    Leavin' love in the dust of a midnight Chevrolet  
    It ain't always the cowboy that rides away  
    I've never seen over from this side  
    Never heard lonely get this quiet  
    Still I can't keep from smilin'  
'Cause damn that girl can flyIt ain't always the cowboy  
    That ain't got a lot of hang around  
    Ain't got no settle down in their boots  
    Gone's just what they do  
    That restless, runnin', searchin' for somethin'  
    Leavin' love in the dust of a midnight Chevrolet  
It ain't always the cowboy that rides awayA tumbleweed heart, chasin' that wind  
    Goin' too far, wherever that is  
    It ain't always the cowboy  
    That ain't got a lot of hang around  
    Ain't got no settle down in their boots  
    Gone's just what they do  
    That restless, runnin', searchin' for somethin'  
    Leavin' love in the dust of a midnight Chevrolet  
It ain't always the cowboy that rides awayRides away  
    It ain't always the cowboy
