

Who Am I Fooling

[Alexz Johnson](#)

My skin doesn't fit, my world seems so hollow
I feel like a fraud that's a bitter pill to swallow
Sometimes it hits me right between the eyes
Everyone can see through my disguise Who am I fooling
I'm just a smiling face
In a make believe world
Who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl All alone in the mirror, all alone on the shelf
I'm trying to hold on to a little piece of myself
Doesn't anybody realize
Even I don't buy my own disguise Who am I fooling
I'm just a smiling face
In a make believe world
Who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl There's a part of me that's fighting back
There's a part of me that knows
When I'm pouring out my heart
I'm still putting on a show Who am I fooling
In a make believe world
Who am I fooling
So easy to replace
Pretending I'm a perfect girl Who am I fooling
I'm just a smiling face
In a make believe world
Who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl Who am I fooling
I'm just a smiling face
In a make believe world
And who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl Pretending I'm a perfect girl
