Be Alright

Ebrahim

Verse
Since you walked through that door
Said you donâ€™t want me no more
Well, Iâ€™ve been trying to pick up the pieces
And start a brand new lease on life
Now thatâ€™s where Iâ€™m at
Iâ€™m trying to find my catch
Maybe she will find me
Thatâ€™s when Iâ€™ll beâ€¦

Pre
Truly content
With everything thatâ€™s happening
In my life so far, I feel so far
Gone from my surroundings
I canâ€™t face tomorrow
And I canâ€™t go on

Chorus
But if I give one more day I might see
That I can get by so consistently
Without you running in and out of my life
I need to prove to myself that Iâ€™ll be alright

Boys Choir
I know these things just take some time
Just give me a minute and Imma be alright

Verse
Shouldâ€™ve known from the start
Life without youâ€™d be hard
Well Iâ€™m doing the best I can
To be a better man
I got to be strong, prove that youâ€™re wrong
Cuz you never thought Iâ€™d get over you
Iâ€™ll admit I did too
Well now Iâ€™mâ€¦

Pre
Truly content

With everything thatâ€™s happened
In my life so far, Iâ€™ve come so far
To face my surroundings
I can see tomorrow
And I can go on

Chorus
Cuz I gave it one more day to see
That I can get back so consistently
Without you running in and out of my life
I have proved to myself that Iâ€™ll be alright

Boys Choir (2x)
Woah woah woah woah woah alright
Iâ€™ll be alright
I know these things just take some time
Just give me a minute and Imma be alright

Boys Choir (2x)
Oh baby baby baby
I donâ€™t need you in my life
Iâ€™m doing all the right things
Iâ€™m gonna be alright

Chorus
Cuz I gave it one more day to see
That I can get back so consistently
Without you running in and out of my life
I have proved to myself that Iâ€™ll be alright

Yeah, I still got love
Love to give at least
Thatâ€™s just how it is
So check me 1, 2â€¦

Boys Choir (4x)
Woah woah woah woah woah alright
Iâ€™ll be alright
I know these things just take some time
Just give me a minute and Imma be alright
