Stripped, Raped and Strangled

Cannibal Corpse

They think they know who I am
All they know is I love to kill
Face down, dead on the ground
Find me before another is foundI come alive in the darkness
Left murdered and nameless
Dead, unburied and rotten
Half eaten by insectsShe was so beautiful
I had to kill herTied her up and taped her mouth shut
Couldn't scream, raped violently
Rope tight, around her throat
Her body twitches as she chokesStrangulation caused her death
Just like all the others
Raped before and after death
Stripped, raped, torturedThey're all dead, they're all dead
They're all dead, by strangulationI come alive in the darkness
Left murdered and nameless
Dead, unburied, and rotten
Half eaten by insectsIt felt so good to killI took their lives away
Seven dead, lying rotten
Unburied victims
Their naked bodies putrefyStrangulation caused her death
Just like all the others
Raped before and after death
Stripped, raped, torturedThey're all dead, they're all dead
They're all dead, by strangulationI come alive in the darkness
Left murdered and nameless
Dead, unburied, and rotten
Half eaten by insectsThey think they know who I am
All they know is I love the kill
Face down, dead on the ground
Find me before another is found
