Gazelle

Nuclear Rabbit

I see gazelle and gazelle sees me
I watch gazelle as he crosses the stream
I hunt gazelle and gazelle fears me
One day i'll catch him and feed my familyGazelle, I see you jump
I see you dance across the field
You could be my lunch
You could be an intimate lover or possible mealGazelle, won't you stay for dinner?
You are my special guest
I won't take a no for an answer
Gazelle, it's just a hunch
That you and I were never meant to be
Your luscious crunchiness
A taste I may never absorb
So it's back to the zebra the yak or hyena
Quietly I peek through the foliage
And gaze upon a graceful gazelle
I try not to disturb him
But my clumsiness just gives me away
He runs off in laughter
The gazelle I was afterQuietly I lost gazelle
