The Sign

Divinefire

Now I See The Sign. Sunrise of my life. Darkness fades away. A New day has begun.
Looking for the answer to the meaning of my life. It's hard to see the future when the love is gun. The Media is sending out a message to the world. It's the time to analyze it before it breaks me down.
I Close my eyes. I say my prayer. Dear god, save me from this hell.
Now I See The Sign. Sunrise of my life. Darkness fades away. A New day has begun.
Running for the prize. I want to be a star. No matter what it costs I want to be the one. Soon I Realize this is not the end for me. The Creator of my life touched my empty soul.
I close my eyes. I say my prayer. Dear God, save me from this hell.
Now I See The Sign. Sunrise of my life. Darkness fades away. A New day has begun.
The Lord is my shepard. I shall not lack. He makes me to lie down. In green pastures. He leads me beside restful water. He revives my soul. He leads in path of rightousness. For his name's sake.
Now I See The Sign. Sunrise of my life. Darkness fades away. Now I see the Sing.
