

Hot Chip

You're gonna die

[illegible]

You're gonna die
You're gonna die
Time time time time
Time time time time
Time time time time
Even though there's just one left
I feel my bones becoming stiff
And now I wander endlessly
The spirits have abandoned me
My limbs are falling piece by piece
My ears and fingers in the street
But still you see no morning sun
And here's my victim's early run
Quickly grab him from behind
Round his neck with fishing twine
Keep him still and pull the string
Watch his head go bobbling
Listen to my riddle song
Even though my crime was wrong
Murder me just for your law
And I'll be back for all of y'all
You're gonna die
You're gonna die
You're gonna die
You're gonna die
You're gonna die
You're gonna die
And I'll be back for all a y'all
