

Strangers (feat. Inlaws)

Shovels & Rope

Where are you going i don't mind
I've killed my world and ive killed my time
So where do i go what do i see
I see many people coming after me
So where are you going to i dont mind
If i live too long i'm afraid ill die
So i will follow you wherever you go
If your offered hand is still open to me
Strangers on this road we are on
We are not two we are one
So you;ve been where ive just come
From the land that brings losers on
We will share this road we walk
Mind our mouths and eat where i talk
Til peace we find tell me what ill do
All the things i own i will share with you
If i feel tomorrow like i feel today
We'll take what we want and give the rest away
Strangers on this road we are on
We are not two we are one
Holy man and holy priest
This love of life makes me weak in my knees
And when we get there make your plate
Cause soon i think you're gonna carry us away
In a promise land you made us believe
Oh many men there is so much grief
And the hardest part but it is with rage
If i live too long im afraid ill die
Strangers on this road we are on
We are not two we are one
Strangers on this road we are on
We are not two we are one
