

# There's Something Dark

**Dustin Kensrue**

There's something dark inside of me.  
There is a ghost in this machine.  
There is a giant jagged hole.  
Twists and rips through my soul.  
Like the roots of some old retched tree.  
There's something dark inside of me.  
There's something haunting, Oh my love.  
There's nothing good I'm thinking of.  
Still I'm gilded and groomed, gliding into the room.  
Saying such bold and beautiful things.  
There's something dark inside of me.  
There's something rumbling in my mind.  
Secrets that you were meant to find.  
I thought you knew me so well?  
I will see you in hell.  
Oh, I'll let you live to tell, what you see.  
There's something dark inside of me.  
I need someone to set me free.  
So I call out your name.  
But you seem so far away.  
Is there anyway you could save someone like me?  
There's something dark inside of me.
