

One (Synthetiks Leave the world Behind Bootleg)

Swedish House Mafia

Oh I wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Or better yet, stand there
Just do that I wanna know your name
Your name
You just kill me, could you at least do that?
I wanna know your name
Your name
Or better yet, stand there
Just do that Hey yeah I wanna know your name
Know your name I wanna know your name
Know your name Uh!
Oh yeah I wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Know your name
Or better yet, stand there
Just do that Hey yeah!
Oh yeah! I wanna know your name
Know your name
I wanna know your name
Know your name Uh
