

Perfect World

Simple Plan

I never could have seen this far, I never could have seen this coming
It seems like my world's falling apart, yeah
Why is everything so hard?
I dont think that I can deal with the things you said just wont go away
In a perfect world this could never happen
In a perfect world youd still be here
And it makes no sense, I could just pick up the pieces
But to you this means nothing, nothing at all
I used to think that I was strong until the day it all went wrong
I think I need a miracle to make it through, yeah
I wish that I could bring you back
I wish that I could turn back time 'cuz I cant let go
I just cant find my way, yeah, without you I just cant find my way
In a perfect world this could never happen
In a perfect world youd still be here
And it makes no sense, I could just pick up the pieces
But to you this means nothing, nothing at all
I dont know what I should do now
I dont know where I should go
Im still here waiting for you, Im lost when you're not around
I need to hold on to you, I just cant let you go, yeah, yeah
In a perfect world this could never happen
In a perfect world youd still be here
And it makes no sense, I could just pick up the pieces
But to you this means nothing, nothing at all
You feel nothing, nothing at all
Nothing at all
