

Pay Em No Mind

Jahlil Beats

I am, living life at the 20 feet
Looking down at haters nigger walking underneath
. when I am walking on these streets, trade them up man don't be silly
Fresh next prince meet the new big wily, they are jealous but they really . cause they,
Having bitches that can freak it . I am a living legend
ain't talking about money .
Sitting on the top laughing at you niggers
Swag on a million I am splashing on you niggers .
Money you will never touch you should cut your hands off
I am going hard . these niggers haven't seen it before
. got a bad bitch super dime .
Living legends taking over believe that
Fly niggers taking money you see that
. if they try not give mine
I am gonna beat them at finish line
. I am getting money
Here is the motivation
Fuck these niggers hating
And these niggers right .
I am stuck on these papers .
Big ass brightening . big ass 40
Play with me mate . a third lane
. what I am trying to get
Just made a stack now I am thinking of doubling it
. I will be on my crazy to . niggers talking shit
They be lying,.
