

Thank You, Stars

[Katie Melua](#)

Some call it faith, some call it love
Some call it guidance from above
You are the reason we found ours
So thank you, starsSome people think it's far away
Some know it's with them everyday
You are the reason we found ours
So thank you, starsThere are no winds
That can blow it away on the air
When they try to blow it away
Is when you know it will always be thereTo some it's the strength to be apart
To some it's a feeling in the heart
And when you're out there on your own
It's the way back homeThere are no winds
That can blow it away on the air
When they try to blow it away
Is when you know it will always be thereSome call it faith, some call it love
Some call it guidance from above
You are the reason we found ours
So thank you, starsSo thank you, stars
So thank you, stars
