Hello

Lyrica Anderson

Hey, I know shit ain't been the same
I know Shxt ain't been the same
You told me, you told me that you would never change
That you would never change
As soon as you got some change
You up & then changed chameleon paint
Swea Mann, you niggas is all the same
Chasin these bitches instead of dreamsI have my mind set on wedding rings
You had your mind set on Stephany
I put up with your bullshit
I coulda been with a nigga with better things, huh
Something to think about
I cannot lie Boy I love you tho'
Shit, should I just let it go, let me know, baby
Fussin', fightin', I hate where we at now
You ignorin my calls, you must be with a bitch now
You better tell me Somethin before I give up now, yeah
Hello, hello, hello
Hello, hello
Baby, hello, hello
Hello, helloHey, hey, fill up my cup
You love why I can't predict it, I miss your kisses
I wish those were mine on your lips
Yeah, you don't give 'em out again
We should've tried counseling
I hope we ain't too deep in
I had a long talk with my mom and 'em
You know how my mama is, yeah, she tell it just like it is
Told me give you a chance
I have my mind set on wedding rings
You had your mind set on Stephany
I put up with your bullshit
I coulda been with a nigga with better things
Something to think about
I cannot lie Boy I love you tho'
Shit, should I just let it go, let me know, babyFussin', fightin', I hate where we at now, hate where we at now
You ignorin my calls, you must be with a bitch now
You better tell me something before I give up now, yeah
Hello, hello, hello

Hello, hello
Baby, hello, hello
Hello, hello
