My Gang

Vince Kidd

You wanna roll with me, yeah i
Heard you wanna join my gang
Take a shot of this
And let it sink into your veins
I take over your body baby
Then I'm headed for your brain
Keep you up all night like a hit of pure cocaineBaby, don't hide
I can see it, in your eyes
When the sun goes down
Girl, go wild
She be howling out aaa uuu
Hit me like a double
You're the meaning of trouble
When the sun goes down
Girl go wild
She be howling out aaaa uuuI can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me thenYou wanna roll with me, yeah
Heard you wanna join my gang
Now you're taking charge
armed with daddy's credit cardYou think you can keep up
Lets turn the heat up
I'mma set you soul on fire
there jump in the river
I'm coming witcha!
You can be my queen of the nightBaby, don't hide
I can see it, your eyes
When the sun goes down
Girl, go wild
She be howling out aaa uuu
Hit me like a double
You don't mean it, I'm trouble
When the sun goes down
Girl go wild

She be howling out aaaa uuuI can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me thenBaby, don't hide
I can see it, your eyes
When the sun goes down
Girl, go wild
She be howling out aaa uuu
Hit me like a double
You the meaning of trouble
When the sun goes down
Girl go wild
She be howling out aaaa uuuI can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me then
I can watch you
Watching me then
