Breaking The Broken

Sparta

On a holday slow-motion sets its paceAnd it makes me pray for capricorn's sweet face
Our lives get tangled up in progress
Falling short on life's test
When all that matters should be me and youAnd you say it's not OK
Despite our life, you cannot stay
And you say you're not OK
Romance post-marked holidayWell, I can't explain how we made it this far
And you should know, only you control my heart
Feelings overshadow reason, blocks out everything
And all that amtters should be me and youI wouldn't trade what I got
Not for anything
