

Slipping Through the Sensors

Fruit Bats

Slipping on through the sensors
Tripping over rails and fences
Slipping on through the sensors
Made in the mists of the abyss.

Slipping on through the sensors
Tripping over rails and fences
Slipping on through the sensors
Superheroes fighting crime with love and broken fists.

Slipping on through the sensors
Tripping over rails and fences
Slipping on through the sensors
Made in the mists of the abyss.

Slipping on through the sensors
Tripping over rails and fences
Slipping on through the sensors
Made in the mists of the abyss.

Slipping on through the sensors
Tripping over rails and fences
Slipping on through the sensors
Superheroes fighting crime with love and broken fists.
