

Here I Am

Marion Raven

I'll protect you, don't be scared
No matter what I will be there
I'll be gentle, I'll be light
These are the words you whispered in the night Here I am
Here I am Now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I got to let you go Here I am
Here I am But where were you when I was scared
A broken promise left me here
A post-it note is what I've got
It says, I'm sorry but I know you're not So here I am, yeah
Here I am Now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go Here I am
Here I am There will come a day
When all of this is in my past
And there will come a day
When you're out of my head at last
I'm trying not to fall
Damn, it's such a long way down But here I am Yeah, yeah, yeah And now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go Now I'm standing in the cold
Everything is said and done
From the absence of the sun
The only remedy I know
Is I gotta let you go Here I am
Here I am
