When Christ Was Born

This Sovereign King came one silent night  
He ushered in true love through His life  
Redemption began with Perfect Lamb  
The Son of God

Can you picture the night with the star in the sky?  
Oh, night divine, when Christ was born?  
Can you picture the joy from the angels on high?  
Sign hallelujah, when Christ was born

This Patient Love came to set us free  
Now future holds salvation, taste and see  
Redemption began with the Perfect Lamb  
The Son of God

Hallelujah, Hallelujah  
Hallelujah, Youâ€™re here (2X)

Can you picture the night with the star in the sky?  
Oh, night divine, when Christ was born?  
Can you picture the joy from the angels on high?  
Sign hallelujah, when Christ was born

Hallelujah, Hallelujah  
Hallelujah, Youâ€™re here (2X)
