

# Damned

## Rebekah Del Rio

Lying here beside you in someone else's bed  
Knowing what were doing's wrong, but better left unsaid  
Your breathing sounds like screaming, it's all that I can stand  
His ring is on your finger, but my heart is in your hands  
    Damned if you love me  
    Damned if you don't  
It's getting harder holding on, but I can't let you go  
    Damned if you don't need me  
    Damned if you do  
Oh God, I wish it wasn't me standin' in these shoes  
    Damned, damned  
A door slams like a shotgun, you jump up to your feet  
But it's just the wind blowing through the secrets that we keep  
Made me want to want you, God knows I need to need you  
By the time the love is over, I'll be sleeping on the streets  
    Damned if you love me  
    Damned if you don't  
It's getting harder holding on, but I can't let you go  
    Damned if you don't need me  
    Damned if you do  
Oh God, I wish it wasn't me standin' in these shoes  
    Why don't you talk to me?  
    (Because I'm too blind to see)  
    Why won't you look at me?  
    (Because I'm afraid to breathe)  
    What do you want from me?  
    (All that I can stand)  
The lies are on my tongue, and I can't turn back I know  
    My soul is damned  
    Don't worry  
I ain't gonna call you or hear you say my name  
And if you see me on the streets, don't wave just walk away  
Our lives are getting twisted, let's keep our stories straight  
The more that I resist it, my temptation turns to fate  
    Damned if you love me  
    Damned if you don't  
It's getting harder holding on, but I can't let you go  
    Damned if you don't need me  
    Damned if you do

Oh God, I wish it wasn't me standin' in these shoes  
Damned, yeah, damned, yeah  
Damned if you love me  
Damned if you don't  
It's getting harder holding on, but I can't let you go  
Damned if you don't need me  
Damned if you do  
God, I wish it wasn't me standin' in these shoes  
Damned, ah, damned, yeah  
Ah, damned, yeah
