Hit Or Miss

The Damned

Met on the dance floor of the palais de danse
Feelin' kinda lonely thought I'd take a chance
I never thought it would turn out like this
Another case of hit or missI gave you everything that money could buy
Things for your wardrobe things to get you high
I never wanted you to bring it back
I didn't see you stab me in the backAnother hit or miss another hit or miss
Another chance of hit or miss
Another hit or miss another hit or miss
And I was looking for a kissWhen you were fallen I put up with a lot
I took your cheating I took all you got
The sun was setting for what he had got
You took my money spent the whole damn lotAnother hit or miss another hit or miss
Another chance of hit or miss
Another hit or miss another hit or miss
And I was looking for a kissWhy does it always end like this
Why does it always end like thisAnother hit or miss another hit or miss
Another chance of hit or miss
Another hit or miss another hit or miss
And I was looking for a kissDon't be beaten dont you feel so down
About the rumours that you put around
I think I'll call this girl who lives nearby
Take her down and have another tryAnother hit or miss another hit or miss
Another chance of hit or miss
Another hit or miss another hit or miss
And I was looking for a kiss
