

# Simple Life

## Mary Chapin Carpenter

You're making lists today of all the things you haven't done yet  
You're driving everyone crazy, are you having any fun yet  
Mother says you ought get married, shrink says here's a little blue pill  
Too young for your mid-life crisis, mirror says you're over the hill  
There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it  
You're making resolutions and it isn't even new year's  
You could try a new religion, you could wait until the dust clears  
Friends say you're way too choosy, shrink says see you next week  
Guru says control your breathing you're afraid you might have peaked  
There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it  
'Cause things could be better  
'Cause things could be worse  
'Cause life can be charmed and cursed  
There's fast, slow and stall, no reverse  
You're making lists today of all the things you haven't done yet  
You're driving everyone crazy, are you having any fun yet  
There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it  
There's nothing wrong with you  
The simple life is over rated  
There's nothing you can do  
Just enjoy the view be glad you made it  
This far  
Oh, yeah
