Le Mas

Lilly Wood & The Prick

Get myself wet
Get myself wet
Get myself wet
Get myself wet
Been trying to get some rest for us all
But our memories won't leave me alone
I've been trying to get myself to be quiet
I've been trying to get myself to be better, better
If the sun is out then how will I cope?
Our memories won't leave me alone
If the sun is out then how will I cope?
Or if our memories won't leave me alone
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
Been spreading out my arms and my thoughts
But it's always no, there's always trouble
I've been trying to be quiet
I've been trying to be better when this is over
How will I cope?
But when this is over
How will I cope?
This madness here won't leave me alone
When this is over well then how will I cope?
If this madness here won't leave me alone
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
I'm gonna go ahead and get myself wet
And there is nothing you can do to stop me
