## V V Brown

Joe B Christina  
We're gonna take ya to the 80's  
I'ma hold you down though  
Look, you tired of the same old  
Chit-chat, lame sto's  
Mami's frame loc' make dudes chain smoke  
We can do thangs slow as if you ain't know  
All real them other dudes ain't Joe  
They'll put you in canaries temporarily  
But you know they can't compare to me  
Can't come close pop cham', one toast  
'Til I'm on my knees with ya hand up froze  
Now why you acting like you can't come close, ma?  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
I don't need love  
If love is gonna hurt me  
No need for trust  
If trust just keeps me cryin'  
I think you can see  
You can see that I love playin'  
I'm not the way I used to be  
Understand just what I'm saying  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
I've come a long way  
You can say I've learned some lessons  
To never wear my heart up on my sleeve  
And always keep 'em guessin'  
But it's hard not be naive  
'Coz you're saying all the right things

And I won't fall for words  
So this time you gotta show me  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
Understand that I  
I don't know what to do  
It's happening again  
I get that old feelin' again  
But before I give in  
Understand me, now we both grown both done with the practice round  
Watch me prove to be different from your average clown  
It's safe, go ahead baby put the baggage down  
I ain't tryin' to bend you over, just tryin' to win you over  
Take out, chin-chin' on the sofa  
Relax a little maybe then get closer  
Feel like I feel, relate to Joe beasy  
You make being in L O V E so easy  
Pushin' me up some like fargo easy  
Ma, don't believe me trust and come see about it  
We one the same page babygirl, we about it  
Enough with the talk game boo, let me be about it  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
Things about to change  
I won't just give my heart away  
'Coz when I do it's gonna be forever  
You're blowin' my mind  
So this might be the last time  
I fall in L O V E forever  
You're blowin' my mind so this might be  
L O V E forever

You're blowin' my mind so this might be  
L O V E forever
