The Iron Bell

Baroness

Show me the hill
Show me the gallows pole and iron bell
Cry me a river
If I could I would leave todayWake me when I'm dead
There's a thousand devils screaming in my head
Wake me when I'm gone
And I'll tell you when the right outweighs the wrongThat's all you get
I'm bored again
Bored again
Take me to hell
Show me the gatling-guns and the fireworks
Cry me a river
If I could I'd burn those tears awayWorn down to my bones
There's a thousand miles to go before I'm home
Push me to the edge
I bet you you'll wish you'd done it all alongThat's all you get
I'm bored again
Bored againThat's all you get
I'm bored again
Bored again
Iron bell
Curtain call
Gallows pole
The curtain fallsThat's all you get
