

I Just Can't Stop Loving You - 2012 Remaster

Michael Jackson

I just want to lay next to you for awhile
You look so beautiful tonight
Your eyes are so lovely
Your mouth Is so sweet
A lot of people misunderstand me
That's because they don't know me at all
I just want to touch you
And hold you
I need you
God I need you
I love you so much Each time the wind blows
I hear your voice so
I call your name . . .
Whispers at morning
Our love Is dawning
Heaven's glad you came . . .
You know how I feel
This thing can't go wrong
I'm so proud to say I love you...
Your love's got me high
I long to get by
This time Is forever
Love Is the answer I hear your voice now
You are my choice now
The love you bring...
Heaven's In my heart
At your all I hear harps
And angels sing You know how I feel
This thing can't go wrong
I can't live my life without you I just can't hold on I feel we belong
My life ain't worth living
If I can't be with you I just can't stop loving you
I just can't stop loving you
And if I stop
Then tell me just what will I do... I just can't stop loving you... At night when the stars shine
Hmm
I pray in you I'll find
A love so true . . .
Mmm... mmm... When morning wakes me

Will you come and take me
I'll wait for you...You know how I feel
Ah
I won't stop until
I hear your voice saying I doI do
This thing can't go wrongThis feeling's so strongWell, my life ain't worth livingIf I can't be with you
I just can't stop loving you
Whoa, whoa... oh
I just can't stop loving you
And If I stop . . .
Uh, huh
Then tell me just what will I do
Well I just can't stop loving youWe can change all the world tomorrowWe can sing songs of yesterday...I can
say hey farewell to sorrow...This is my life and I want to see you for always
I just can't stop loving you (No baby)OhI just can't stop loving youIf I can't stopAnd If I stopOh
Then tell me just what will I doOhWhat will I do?
Oh
Uh... ooh...I just can't stop loving youHee! Hee! Hee!
Know I do girlI just can't stop loving youYou know I do
And If I stopThen tell me just what will I doI just can't stop loving you
Oh
