

# My Little Man

Ozzy Osbourne

Don't you know I love you more than life itself?  
Don't you know that you're my pride?  
And I would not have you walking through this world  
Without me by your side  
Go to sleep my little man  
Don't you weep my little man  
I'd like to keep you with me all your life  
But I know I can't do that  
So I must try teachin' you the wrong from right  
To keep the vultures from your back  
Go to sleep my little man  
Don't you weep my little man  
And when you're dreaming you can talk to angels  
So wipe the tears from your eyes  
And if there's demons that try to steal your breath away  
You can't believe that know my spirit will be standing by your side  
You saved me, you gave me, the greatest gift of all  
Believe me, believe me, there ain't no mountain that's too tall  
I would gladly carry your cross for you  
To take your pain away  
But what I can't carry is my love for you  
Beyond my dying days  
So be strong my little man  
When I'm gone my little man  
You got to be my little man  
So don't you weep my little man  
Go to sleep my little man  
Don't you weep my little man  
You got to be my little man  
So don't you weep my little man  
Go to sleep my little man
