Oh, Lonesome Me

Sammy Davis, Jr.

Everybody's going out and having fun
I'm just a fool for staying home and having none
I can't get over how she set me free
Oh lonesome me

A bad mistake I'm making bout just hanging round
I know that I should have some fun an paint the town
A love sick fool that's blind and just can't see
Oh lonesome me

I'll bet she's not like me
She's out an fancy free
Flirting with the boys with all her charms
But I still love her so
And brother don't you know
I'd welcome her right back here in my arms

Well there must be some way
I can lose these lonesome blue
Forget about the past and find somebody new
I've thought of everything from A to Z
Oh lonesome me

(guitar solo) (ba-de-op-bop-bop)
(ba-de-op-bop-bop)
(Oh lonesome me)

Well I bet she's not like me
She's out and fancy free
Flirting with the boys with all her charms
But I still love her so
And brother don't you know
I'd welcome her right back into my arms

Well there must be some way
I can lose these lonesome blues
Forget about the past and find somebody new
I've thought of everything from A to Z
Oh lonesome me
Oh lonesome me
