

From Past Archives

Family

J. Whitney R. Chapman
Why can't we forgive, forget and be returned to harmony
Singing our song, duetting as one
It took time as pictures hard to find
Harmonies divine, completely in time
Became flat.
Three years gone and still I'm holding on
Hoping that the song from past archives
Will soon be revived.
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
