

As Time Goes By

Carly Simon

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by And when two lovers woo
They still say, "I love you"
On that you can rely
No matter what the future brings
As time goes by Moonlight and love songs never out of date
Hearts full of passion, jealousy and hate
Woman needs man
And man must have his mate
That no one can deny It's still the same old story
The fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by But it's still the same old story
The fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by You better believe it when I tell you that I mean it
Of all of the gin joints and you had you to walk into mine
You played it for him, now you got to play it for me
Play it Stevy As time goes by
