God Can Work It Out

Garry Moore

(Chorus)
i know that God can work it out
i know that God can make a way
i know that God can bring you out
wont you let God make a new day
(1st Verse)
i was walking down the street one day
and upon my surprise
there was a man standing on the bridge
with fear in his eyes
i said what are you going to do
he shouted i'm going to take my life
i said before you jump and do it
wont you listen to my advice
i said yeah
(Chorus)
i know that God can work it out
i know that God can make a way
i know that God can bring you out
wont you let God make a new day
(2nd Verse)
i was standing at the bus stop
just waiting for my ride
i saw a woman crying there
as i looked into her eyes
she said my life is over
i'm living in so much pain
i said i understand how you feel
so wont you listen to me explain
(Chorus)
i know that God can work it out
i know that God can make a way
i know that God can bring you out
wont you let God make a new day
(Keyboard and Guitar Solos)
(3rd Verse)
if you're listening to this music
and you relate to this song
you've taken a look back over your life

and all the things gone wrong
it's not the end of the story
if you would learn to give him the glory
he can put your life back together again
you will be a testimony
(Repeat Chorus)
i know that God can work it out
i know that God can make a way
i know that God can bring you out
wont you let God make a new day
