

Alcohol (BBC Sessions)

Gogol Bordello

Yeah, oh yeah, you seen me walk on burning bridges
Yeah, oh yeah, you seen me fall in love with witches
And you know my head is held inside by stitches
Yet you know I did survive all of your lonely sieges And you know that I'll pick up every time you call
Just to thank you one more time
Alcohol, oh alcohol, alcohol And you know that I'll survive very time you call
Just to thank you one more time for everything you've done
Alcohol, alcohol I am sorry some of us given you bad name
Yeah, oh yeah, 'cause we love you, nothing is the same
Yeah, oh yeah, I miss you so every time we breakup
Just to hit a higher note every time we makeup And you know that I'll pick up every time you call
Just to thank you one more time
Alcohol, alcohol, alcohol So now you know I will survive every time you call
Just to thank you one more time for everything you've done
[Foreign Content] Now you know that I'll pick up every time you call
[Incomprehensible]
Alcohol, alcohol, alcohol, alcohol Who is crawling up my spine?
(Alcohol)
I was waiting long, long time
(Alcohol) Now you teach me how to rhyme
(Alcohol)
Just don't stab in the back with a cortisol
(Alcohol) Now forever reunite
(Alcohol)
Now you teach me how to rhyme
(Alcohol) Screw a light bulb in my head
(Alcohol)
May the ceremony be happy or sad And you know that I'll pick up every time you call
Just to thank you one more time for everything you've done
And you know that I'll pick up every time you call
Just to thank you one more time, alcohol
