Spider Dance

Toby Fox

2, 4, 6, 8
I think it's time for a date
I've got a craving and I think you're my taste
So won't you come out and play?
Darling, it's your lucky day
Why so blue, dear?
Why the expression of fear?
Not into falling for those crocodile tears
So you've got nowhere to flee
Now your soul belongs to me
You've been invited to my Spider Dance (x3)
So move along with me and clap your hands (x3)I'm gonna trap you in my Spider Dance (x3)You know a heart like yours can't stand a chance
In this dizzying, twisted dark romance
Paralyzed, fear is in your eyes
But your cries will go unheard even if you try
Struggling is futile so get tangled up in me
Cause to survive I think you're gonna have to pay a little fee
Get caught in my Spider Dance (x3)You know a heart like yours can't stand a chance
Got your marionette strings in my hands
(Oh oh, oh oh)Some might call it greed
(Oh oh, oh oh)But I think it's a need
(Oh oh, oh oh)I could let you be(Oh oh, oh oh)
But it won't come for free
Caught you in my Spider Dance (x3)I knew your heart could never stand a chance
Got your marionette strings in my hands
