Everyone's Safe In The Treehouse

I See Stars

I'm just a man with a vision
Who's growing more blind everyday
Eyes of a child now in ruins
Scared of everything he becameMy voice wasn't loud enough for you to listen
Your words weren't strong enough for me to stay here
'Cause I feel your love has always been empty
Just a way to sink your teeth into me
But the truth is we built our house in a tree
We built the roads we walk uponI feel you have the worst intentions
Controlling everyone but me
My voice wasn't loud enough
Your words weren't strong enough'Cause I feel your love has always been empty
Just a way to sink your teeth into me
But the truth is we built our house in a tree
We built the roads we walk uponAre you alive or are you just living?
Are you alive or are you just living?You don't get it! You'll never get it!
Do you have a life or are you just living?
You don't get it! You'll never get it!
Do you have a life or are you just living?I feel your love has always been empty
Just a way to sink your teeth into me...'Cause I feel your love has always been empty (Been empty)
Just a way to sink your teeth into me
But the truth is we built our house in a tree
We built the roads we walk upon
We built the roads we walk upon
