

Can't Go On

Group 1 Crew

I can't glow without You
I trust so many times and I failed Lord, I really need you in my life
Call every time that You're not in sight
Can't go on without Your love
I can't go on Every time You arrive let my heart be open
'Cause it's You I put my hope in
You give me love, give me strength and You give me courage
Even though I don't deserve it I can't go on without You
I don't believe that I'd even want to
All I really wanna see is me
Becoming more and more like You Lord, I really need You in my life
Call every time that You're not in sight
Can't go on without Your love
I can't go on And I don't wanna face this world alone
I don't wanna do this on my own
Can't go on without Your love
I can't go on I see the need in my life and I can't deny
That You're the reason I'm breathing, I need You in my life
I'm on a new level and never will I be coming down
Lift me up when I'm feeling drowned inside the shame of frown And I believe what You said and You promised
me
Now I constantly look for You to keep on watching me
I can't go on without You, I don't believe I'd ever want to
Never be all You, all I want to see is me becoming like You Lord, I realize, can't do it on my own
I need You closer, You can help me make it through the storm
And when I fall I know, You're there to pick me up
Brush me off, and then You're quick to bring me inside Your love I don't know where to go now
I'm lost in this emotion
I'm giving you control now
Pull me up from the bottom of the ocean I don't know where to go now
I'm lost in this emotion
I'm giving y You control now
You pull me up, pull me up when I'm going down You know I can never let anything get in between You and me
At times I've tried to drive solo but I finish the deed
My own anxiety blinded me that I just couldn't see
That You were always there, when I was dead, You never leave me I learnt the hard way but I'm glad I cannot
say I am free
Through all the turmoil You have opened my eyes to see
The greater love that You give and never ask a fee

Now I can say I can't go on without You loving me
No, I can say, no, I can say I can't go on without You loving me Lord, I really need You in my life
Call every time that You're not in sight
Can't go on without Your love
I can't go on And I don't wanna face this world alone
I don't wanna do this on my own
Can't go on without Your love
I can't go on Lord, I really need You in my life
Call every time that You're not in sight
Can't go on without Your love
I can't go on And I don't wanna face this world alone
I don't wanna do this on my own
Can't go on without Your love
I can't go on
