

Go Crazy

Mia Martina

Come on now
I feel you
It's in you
Don't worry just show me you want it
Now easy just tease me
Go, go crazy, go crazy, go crazy
My baby
Don't worry just show me you want it
Now go for it
I'm ready
Got me crazy, so crazy, so crazy, so crazy, so crazyI been waiting so long
I love you, I love you
I been waiting so longCome on now
I feel you
It's in you
Don't worry just show me you want it
Now easy just tease me
Go, go crazy, go crazy, go crazy
My baby
Don't worry just show me you want it
Now go for it
I'm ready
Got me crazy, so crazy, so crazy, so crazy, so crazyI been waiting so long
I love you, I love you(x2) My baby
I love you, love you, waited so long
I love you, love you, waited so long(x2) I been waiting so long
I love you, I love you
I been waiting so longMy baby
