Return To Paradise

The Out-Islanders

Come my love with me
Across the sea,
Return to paradise!
All in life worthwhile
Is on that isle,
Return to paradise!

Velvet moon above,
Evil turns to love,
Love evermore!

Come with me and find
Your peace of mind,
Return to paradise!

Velvet moon above,
Evil turns to love,
Love evermore!

Come with me and find
Your peace of mind,
Return to paradise!
