You Wanna Freak Out

My Morning Jacket

Play it safe, play it cool
If you ever emote, you're playing the fool
Is that the way you think it is?
You can't get yours if he ain't getting his, c'mon
You know how you are

First you're up, up, down, down
One day you're in, the next one you're out
You wanna freak out? C'mon!
You wanna freak out? C'mon!
C'mon, yeah c'mon

Play it smart, soul intact
How you react, is what you'll get back
'Cause that's the way we really see
I am "you're" and "you're" is me
C'mon, you know how we are

First we're up, up, down, down
One day we're in, the next one we're out
You wanna freak out? C'mon!
You wanna freak out? C'mon!

Yeah oh!
Yeah oh!

You wanna freak out? C'mon
You wanna freak out? C'mon
You wanna freak out?
You wanna freak out?
You wanna freak out?
You wanna freak out?
You wanna freak out? C'mon!

Yeah oh!
