Used To Be Love

The Hoosiers

Used to be
Used to be love
But it doesn't matter, no it doesn't matter
Used to be
Used to be love
But it doesn't matter, now it doesn't matter at allLet's make up our life
I'll pretend I'm doing fine
Blissful sleepless night
Oh it just won't let it show that I can't let it goWhisper in my ear (in my ear)
Your touch sweet paranoia
I am, I'm so hopeless
Got blissed stars, hope that you remember when it
Used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter at allChange your frequency (frequency), to a different wavelength
Broken sympathy
And I just can't let it show that I can't let it go
Thousand sleepless nights (sleepless nights)
Took comfort in confusion
I am, I'm so hopeless
You got blissed stars, hope that you remember when it
Used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter at allTell me something, but that could be a chance
That could be a chance
But I keep on hoping
Lie, you tell me something, but that could be a chance

That could be a chance
Sleep, hope, a chanceUsed to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter
But it used to be
Used to be love
But it doesn't matter, now it doesn't matter at all
