

Indifference

Pearl Jam

I will light the match this mornin' so I won't be alone
Watch as she lies silent for soon light will be gone
Oh I will stand arms outstretched pretend I'm free to roam
Oh I will make my way through one more day in, hell
How much difference does it make
How much difference does it make yeah I will hold the candle till it burns up my arm
Oh I'll keep takin' punches until their will grows tired
Oh I will stare the sun down until my eyes go blind
Hey, I won't change direction, and I won't change my mind
How much difference does it make
How much difference does it make, how much difference I'll swallow poison, until I grow immune
I will scream my lungs out till it fills this room
How much difference
How much difference does it make
