

# Ridiculous (looking Up)

## Bowling For Soup

Try not to talk when there's nothing to say  
Kept bottled up, we get carried away  
Then I fall, then I fall down  
Then we fall down  
And you know that  
It makes me feel so ridiculous  
A pocket full of posies  
We fall down on the inside  
Pretty on the outside  
Turn it around, can we turn it around?  
Try to make a comeback with  
Nowhere to start from now  
But it's looking up  
A second chance, a much better day  
A sunset that just won't go away  
Then I fall, then I fall down  
We all fall down  
And you know that  
It makes me feel so ridiculous  
A pocket full of posies  
We fall down on the inside  
Pretty on the outside  
Turn it around, can we turn it around?  
Try to make a comeback with  
Nowhere to start from now  
But it's looking up  
And you know you said  
You'd never end up this way  
Close the door behind you  
I just wanna stay for a while  
We all fall down, we all fall down  
We all fall down  
Down on the inside  
Pretty on the outside  
Turn it around, can we turn it around?  
Try to make a comeback with  
Nowhere to start from now  
Down on the inside  
Pretty on the outside

Turn it around, can we turn it around?  
Try to make a comeback with  
Nowhere to start from now  
But it's lookin' up, its lookin' up  
Its lookin' up, its lookin' up, its lookin' up
