# Down to the market

## [unknown]

I'm gonna take you down to the market, lover
'cause that's where the trouble starts
You gotta get it into your heart
There are people out there to make you feel bad
But don't you listen, baby don't you listen Because I know you feel that way

But I'm getting so tired of people always crossing my wires
Life's just far too short for miscommunication

I'm gonna take her down to the market today
Cause that's where the trouble starts
You don't want nobody else
There are people out there to make you feel good
But don't you listen, baby, don't you listen Because you know they want it all

But I'm getting so tired of people always crossing my wires
Life's just far too short for miscommunication.

Oh I'm getting so tired of people always crossing my wires
Life's just far too short for miscommunication.

Communication, communication
